

Hello Friends,

Greetings in the Name of the Lord.

We just wanted to send you a quick note to fill you in on exciting news from QUEBEC JE T'AIME.

After a whirlwind of work at 84 Saddlewood (a beehive of seamstresses in the basement, an army of carpenters in the back yard, and around 15 people around the dinner table each night) "The Experience" was completed and we packed it into the truck and set off to present QUEBEC JE T'AIME in Quebec City.

"The Experience" portion of QJTA, for those of you who haven't seen it yet, is a series of tents in which are housed three different "environments" –artistic interpretations of the phases involved in the journey of rebirth, as taken from John 3:5. "Jesus (said) 'Truly, truly I say to you, unless one is born of water and the Spirit, he cannot enter the kingdom of God.'" Through these magnificent, three-dimensional, multi-sensory works of art, visitors experience God's love and its relationship to rebirth. This experience culminates in the visitors receiving an invitation from Jesus, to know Him and to be His love.

Visitors also experience God's love through prophetic teams, prophetic jewellery making, face painting and a marionette show for children, pottery demonstrations and musical performances.

**The response to the festival** in Quebec was overwhelmingly positive! One woman said she was drawn down into the park because she could sense the love! Visitors--believers and otherwise-- raved about "The Experience", many with tears in their eyes. "I wish I could sit in that womb every day for half an hour" was heard more than once. As were the comments "That felt really good," and "Wow, that was so beautiful. I wish there was more." One woman said that it was the first time in her life that she had experienced the tenderness and love that she never felt as the 12<sup>th</sup> twelfth child in a large family. She sensed a deep healing in her heart.

The prophetic teams also played a key role in speaking life into the hearts that had been prepared though "The Experience." Hearts were touched and **souls were saved! We are rejoicing!**

Now we are gearing up to present just "The Experience" at the **Dominion Conference** in Ottawa the weekend of **August 5<sup>th</sup> 6<sup>th</sup>** (10:30am to 9PM) and the morning of Monday the **7<sup>th</sup>** (10:30am to 2PM). If you haven't yet experienced this one-of-a-kind expression of God's love, this is the perfect occasion to bring your "yet-to-be-believer" friends. It is a new approach that connects with the heart—not the head. We will be located in the Jules Morin Park (17 Myrand Avenue, Ottawa) across from the National House of Prayer during the above mentioned dates. (Please note that Sunday from 12pm to 6pm is reserved for Dominion Conference attendees.)
